Transition Care Program

Supports

Recover well; retain
your independence

Flexible, responsive support from the moment you need it

How Can Transition Care Help You?

- ✓ Recover after a hospital stay
- ✓ Remain independent in your home
- ✓ Regain strength, mobility and confidence
- ✓ Delay entry into residential care

Why Choose Outlook Transition Supports?

- ✓ Supports in place in **under 48 hours**.
- ✓ **No wasted time.** We help you maximise your approved supports to ensure your time with us is impactful and meaningful.
- ✓ **Flexible support** that responds to your needs in real-time.
- ✓ **We are the rostering experts.** We put high quality supports in place where other providers struggle.

TCP Supports

Recover in comfort at home after a hospital stay

Outlook Australia's Transition Care Program (TCP) provides short-term, personalised support to help older Australians regain strength, confidence and independence at home. With experienced staff, flexible scheduling and supports often in place within 48 hours, we're here to help you recover well across the NSW Central Coast, Greater Newcastle, Maitland and Hunter Valley regions.
